INFORMATION LETTER No. 1

Dear colleagues!

We are delighted to announce "Archaeological Cultures of Siberia in the Context of Cross-Cultural Contacts in Eurasia", dedicated to the 300th anniversary of the first scientific archaeological excavations in Siberia (1722). We invite master students, PhD students and young researchers to take part in the work of the conference.

Dates: November 21–25, 2022

Format: mixed (offline and online).

Venue: 17, Acad. Lavrentiev Ave., Novosibirsk, Russian Federation; video conferencing at ZOOM and Microsoft Teams communication platforms.

Organizers: Institute of Archaeology and Ethnography of the Siberian Branch of the Russian Academy of Sciences (IAET SB RAS), Russian Federation, Novosibirsk; Institute of Korean Archeology and Ancient History, Kyung Hee University, Republic of Korea, Seoul; School of Cultural Heritage and Cooperative Research Center for Silk Road Archeology, Northwestern University, PRC, Xi'an. With the financial support of the «History of the Fatherland» Foundation, Russian Federation.

Languages: Russian, English;
on special occasions, presentations can be delivered in Chinese or Korean.

Target audience: master students, PhD students and young researchers.

Main topics:

1. Genesis and development of cultures in the Stone Age of Eurasia
2. Formation of traditions in the Bronze Age of Eurasia
3. Ethnocultural processes in the early Iron Age of Eurasia
4. Cultural and historical processes in the Middle Ages
5. Features of the research of archaeological sites of Modern period
6. Art and spiritual world of ancient and traditional societies
7. Digital technologies in archaeology: 3D modeling, GIS technologies
8. Natural science methods in field and desk research: features of application
9. 300 years of Siberian archeology: personalities, excavations, concepts
10. Theoretical problems of archaeological science
11. Contacts between the cultures of Siberia and East Asia in Antiquity and the Middle Ages

Terms of participation. Please submit registration forms (Appendix 1) and abstracts (Microsoft Word file, 1500–2000 symbols, 14 Times New Roman font, with 1,5 spacing) in Russian or English to makmi2022@yandex.ru by June 1, 2022.

Publication of materials. Following the conference, the collection of proceedings will be published and indexed by the RSCI database.
